Federal regulations (COBRA) entitle terminated employees or their dependents extension of benefits under certain conditions. Since you have terminated your employment (retired, resigned or are on temporary leave) with the Mt. Pleasant School District, you are entitled to continue your dental and vision coverage for 18 months.

Regulations require that the terminated employee pay the premium for this coverage on a monthly basis. Regulations also specify that you have sixty (60) days in which to make your determination regarding this coverage. Please check the appropriate box and mail it before your 60 day limitation period. Please mail it to: **MPTA Benefit Fund, % Zenith American Solutions, PO Box 5817, Wallingford, CT 06492**

Upon notification that you desire coverage, we will mail you the appropriate information for payment for the specified coverages. As these coverages are a serious matter, I sincerely request that you take immediate action in order to determine your coverage needs. If you have any questions regarding your rights and/or coverage, please contact Zenith American Solutions.

Sincerely yours,

Ellen Igo Kerri DeCrenza
